

A new school year – a great time to get that new bank account started for your child.

Cygnet Bendigo Bank will this year be offering a **Student Banking Service** through your local Cygnet Branch. Bank deposits can be brought along to school **on a Tuesday** and staff from Bendigo will collect books and return them to the school the following day.

All you need to do to get started is to call into the branch and the friendly staff will only be too happy to open up a new account for your child - remembering to bring along ID which includes either a birth certificate and Medicare card together or a passport.

Piggysaver Account– this account is available to those under 12 years. No monthly account keeping fees on this account. Once students turn 12 years, the account swaps to a Student account automatically.

Students Accounts – available to all students over 12 years of age studying full-time (including Uni students, apprentices or trainees). Again no monthly account keeping fees on this account. Students can have a Bendigo EasyMoney Card (if you're 12 or over) or a Bendigo Blue Debit (if you're 16 or over).
