

KHBA JUNIOR ROSTERS 2017

INFORMATION HANDBOOK

Welcome to KHBA

Kingborough-Huon Basketball Association is moving in to the second year of operations as a full service association that delivers basketball programs in the Kingborough and Huon municipalities.

In 2016 KHBA took over the operations of the "After School Rosters" from the Kingborough Sports Centre. With their support and by continuing to work with schools in the region we were able to significantly grow the number of teams from our first roster (Term 1 and 2) to our second roster (Term 3 and 4).

In 2017 we will continue to offer a high standard junior roster as well as offering a number of development programs to engage all members of our basketball association.

There have been some changes to the age group structures and to the fee collection process, details of which are included below as well as all other relevant information for our Junior Rosters.

Uniforms

'Rep Ready' Training Program

- As previously mentioned, KHBA do not organise team trainings but we do offer development programs for all of our members
- Rep Ready is a new concept for 2017 where we will offer a more structured training program for players in our Junior Rosters wishing to learn some skills and work on their game in order to become "Rep Ready"
- The program will be ran by Aaron Douglas, Mark Nash and Jarryd Moss
- The sessions will consist of drills to help improve/teach players proper shooting technique, ball handling, passing as well as some defensive and offensive positioning and principles
- These sessions will run on a Monday afternoon at KSC from 4pm-5pm for U10's and U12's and from 5pm-6pm for U14's, U16's and U18's
- Participants will be required to register for these sessions on a term by term basis as opposed to format of previous skills sessions where you could pay on the day
- This is to ensure all participants are properly registered and insured and helps us communicate information about the sessions and any other programs more effectively
